David: Watchin' the NBC coverage...
me: lol
David: so what's you're strategy? You're kinda putting yourself out there as low-hanging fruit... which I think could be brilliant, so long as there's a plan
David: (I've kinda made it a point not to 'hide' online myself, talking openly about my involvement on facebook, other forums, and so on... because I've not participated in any illegal actions or hacking runs. I also consider myself a strategist - and I stick only to PR strategies)
